

Indigenous Consulting Services

Whether you represent Inuit, Métis or First Nations leadership or you are driving economic development for your community — community and stakeholder demands are increasing the expectations and pressures on you to do more with less. Effective governance, planning and delivery are critical to ensure you fulfill your responsibility to provide the best service to your members. Your ability to accomplish this determines the future for you and your nation.

We understand that your community wants to move from need to actions, from ideas and plans to results that make a difference for all members — from youth to elders. MNP has a proven track record in helping communities move forward in a positive way.

PERSONALIZED SERVICES TO MEET YOUR NEEDS

MNP is proud of our relationship with Indigenous communities throughout Canada. Recognizing and respecting the role traditional values play in your planning and decision-making processes, we work collaboratively with you to ensure we understand your needs and deliver solutions that help you reach your goals — not just for today, but for generations to come.

Our experienced professionals bring specific skills to help you improve your service delivery in the areas of:

- Health Care
- Child and Family Services
- Education
- Infrastructure
- Economic Development
- Governance and Administration

In addition, we have experts that can help you in areas of:

- Duty to Consult and Accommodate
- Treaty Development
- Specific Claims Support
- Negotiation of Impact Benefit Agreements

Here's a snapshot of the consulting services we offer to help your community, business or organization reach its full potential:
